

Academy Advisory  
Committee  
Code of Practice

**Primary and Secondary Academies**

May 2024

This code sets out the expectations on and commitment required from members of the academy advisory committee in order for it to properly carry out its work within the academy and the community and must be read subject to the provisions of NSCT's 'Articles of Association' and 'Scheme of Delegation' which themselves are subject to amendment by the Education and Skills Funding Agency and Board of Trustees. In the event of any conflict between the terms of this Code of Practice and the Articles of Association / Scheme of Delegation, it is the latter which take precedence.

## **1. The purpose of the academy advisory committee**

- 1.1. Each academy's advisory committee is responsible for the conduct of the academy and for promoting high standards. It aims to ensure that pupils are attending a successful academy which provides them with outstanding education and supports their well-being.

## **2. The academy advisory committee will:**

- 2.1. Work with the Trust Board to establish the strategic direction by: -
  - Supporting the vision, values, and objectives for the academy
  - Monitoring the academy development plan priorities and targets
  - Meeting statutory duties
- 2.2. Ensure accountability by: -
  - Monitoring progress towards targets
  - Engaging with stakeholders
  - Contributing to academy self-evaluation

## **3. As governors we agree to the following:**

### **Role and responsibilities**

- 3.1. I understand the purpose of the academy advisory committee and the roles of Head teacher and Chief Executive Officer.
- 3.2. I accept that I have no legal authority to act individually, except when the Trust Board or Academy Advisory Committee has given me delegated authority to do so, and therefore I will only speak on behalf of the academy advisory committee when I have been specifically authorised to do so.

- 3.3. I will not make public statements on behalf of the Trust / Advisory Committee / Academy and understand that such statements can and will only be made by those with the delegated authority to do so.
- 3.4. I accept that the academy advisory committee has collective responsibility for all decisions made by either it or its delegated agents. This means that I will not speak against majority decisions outside the local advisory committee meeting.
- 3.5. I have a duty to act fairly and without prejudice and, in so far as the academy advisory committee has responsibility for staff, I will fulfil all that is expected of a good employer (with the understanding that the role of governor is to redirect any staff concerns to the appropriate process).
- 3.6. I will encourage open governance and will act appropriately.
- 3.7. I will consider carefully how our decisions may affect the community and other academies or schools.
- 3.8. I will work collectively with other governors for the benefit of the Trust.
- 3.9. I will strive to uphold the Trust's reputation in our private communications (including on social media).
- 3.10. I will always be mindful of academy advisory committee's responsibility to maintain and develop the ethos and reputation of our academy and my actions within the academy and the local community will reflect this.
- 3.11. In making or responding to criticism or complaints affecting the academy I will contribute to ensuring the academy advisory committee follows the established procedures regardless of my personal view.
- 3.12. I will support the Head teacher and senior leadership team but will pro-actively question and provide both scrutiny and challenge.

## **Commitment**

- 3.13. I acknowledge that accepting office as a governor involves the commitment of my time, be that at evening meetings, regular training or visits to the school.
- 3.14. I will familiarise myself with and abide by the *7 principles of Public Life*, as set out by the Committee of Standards in Public Life.

- 3.15. I understand there is an expectation that I attend all scheduled meetings and read papers in advance of those meetings. Where I cannot attend, I will explain in advance why I am unable to do so. I am aware that continued non-attendance may result in consideration of or actual removal from the academy advisory committee. Where meetings are via video conferencing I understand that I need to be visible on screen.
- 3.16. I will involve myself actively in the work of the academy advisory committee and accept my fair share of responsibilities, including visits and contributions to any working groups.
- 3.17. I will get to know the academy well and respond to opportunities to involve both myself and the academy advisory committee in academy activities.
- 3.18. In addition to scheduled meetings I will visit the academy at least once per term, with all visits to the academy arranged in advance with appropriate staff and undertaken within the scrutiny framework established by the academy advisory committee and / or agreed with the Head teacher.
- 3.19. I will consider seriously my individual and our collective needs for training, learning and development, and will ensure I attend training in order to maintain my effectiveness as governor.
- 3.20. I accept that I am a representative of North Star Community Trust and will not, through my behaviour or actions, knowingly bring the organisation into disrepute (including comments made on or via social media applications or websites).
- 3.21. I accept that in the interests of open governance, our names and date of appointment will be collected and published on the DfE's national database of governors and this in addition to our term of office, roles on the advisory committee, attendance records, relevant business and pecuniary interests, type of governor and the body responsible for appointing us will be published on the school's website.
- 3.22. I will participate in induction training, prioritise training in required areas and commit to developing our individual and collective skills and knowledge on an ongoing basis.
- 3.23. I accept that the role of governor is subject to appropriate DBS checks and failure to engage in this process will result in my removal from the role of governor.

## Relationships

- 3.24. I will strive to work as part of a team in which constructive working relationships are actively promoted.
- 3.25. I will express views openly, courteously and respectfully in all communications with other governors.
- 3.26. I will support the chair of the termly meetings in their role of ensuring appropriate conduct both at meetings and at all times.
- 3.27. I am prepared to answer queries from other governors in relation to delegated functions and take into account any concerns expressed, and will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- 3.28. I will seek to develop effective working relationships with the Trust Board, Chief Executive Officer, Head teacher, staff, parents, other relevant agencies and the community.
- 3.29. I will express views openly, courteously and respectfully in all our communications with board members and staff both inside and outside of meetings.

## Conflicts of interest

- 3.30. I will record any pecuniary or business interest (including those related to people I am connected with) that we have in connection with the academy advisory committee's business in the *Register of Business Interests*, and if any such conflicted matter arises in a meeting I will offer to leave the meeting for the appropriate length of time.
- 3.31. I will declare any conflict of loyalty at the start of any meeting should the situation arise.
- 3.32. I will act in the best interests of the academy as a whole and not as a representative of any group, even if elected to the academy advisory committee.
- 3.33. I accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the trust board, attendance records, relevant business and pecuniary interests, type of governor and the body responsible for appointing us will be published on the trust website.

## **Breach of this code of practice**

- 3.34. If I believe this code has been breached, I will raise this issue with the Chair. The academy advisory committee will only use suspension / removal as a last resort after consulting the Chief Executive Officer and seeking to resolve any difficulties or disputes in more constructive ways.
- 3.35. Should I believe the Chair has breached this code, I will raise this issue directly with the Chief Executive Officer.

## **Confidentiality**

- 3.36. I understand that the Trust Academies are obliged to comply with UK GDPR and the Data Protection Act 2018. I will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside the academy.
- 3.37. Revealing or disseminating confidential information without prior authorisation from the chair or head teacher shall be considered cause for removal from the academy advisory committee. (Individuals can be held accountable under UK GDPR and the Data Protection Act 2018)
- 3.38. I will exercise the greatest prudence at all times should discussions regarding academy business arise outside of an academy advisory committee meeting.
- 3.39. Where they occur, I will not reveal the details of any academy advisory committee's vote.
- 3.40. I will hold confidential within the academy advisory committee all discussions and deliberations that may occur in the process of arriving at decisions.
- 3.41. I understand that the position we hold on the academy advisory committee is separate from that of other positions we may hold at the academy (including, where applicable, that of parent). Our responsibilities to the academy advisory committee remain in effect whilst performing the duties of any other positions we may hold.
- 3.42. Resignations should ideally be announced at meetings at least one full term in advance. The governance team should be notified.
- 3.43. Upon the conclusion, resignation or termination of my role as a governor, I will return or securely destroy all documents and other materials in my possession obtained during our term as a member of the academy advisory committee. This may relate to electronic, paper or other medium.

3.44. These agreements and obligations shall survive the termination or conclusion of my term on the academy advisory committee.

## **4. Declaration**

4.1. Advisory committee members are asked to sign and return the final page of this document and accept that the content of this document may occasionally be amended in line with governance requirements and both the legislation and statutory guidance from which it is derived.

# NSCT Academy Advisory Committee Code of Practice

## Declaration

I have read and understood the Academy Advisory Committee Code of Practice. As a member, I will always have the achievement and well-being of the pupils and the reputation of the academy at heart and will do all I can to be an ambassador for the academy and the Trust, publicly supporting its aims, values and ethos. I will never say or do anything publicly that would embarrass the academy, the academy advisory committee, Trust staff or the Trust itself.

## The Seven Principles of Public Life

(Originally published by the Nolan Committee, The Committee on Standards in Public Life was established by the then Prime Minister in October 1994, under the Chairmanship of Lord Nolan, to consider standards of conduct in various areas of public life, and to make recommendations).

### Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

### Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

### Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

### Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

### Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

### Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

### Leadership

Holders of public office should promote and support these principles by leadership and example.
